Dear Mr./Ms. Morisy:

This is in response to your Freedom of Information Act request of May 06, 2013 which was received in this office on May 07, 2013. Your request has been assigned reference number **RD 40223**.

We have received your Freedom of Information Act (FOIA) request for copies of all responses sent to Congressional committees between January 1, 2008 to the present. Unfortunately, the records you have requested are not subject to the FOIA. Pursuant to 36 C.F.R. 1520.6(c), "FOIA applies only to the records of the executive branch of the Federal government and certain Presidential records" and therefore records of the Congress do not apply.

As a result, your case has been closed in our office. However it is possible that the records you are requesting may be available under the current Legislative access guidelines. As such, we are referring your letter to the National Archive Center for Legislative Archives (LL) Division. That office will reply to you directly.

We do not consider this response to be a denial because the records are not subject to the FOIA. If you believe this response to be a denial, you may appeal by writing to the Deputy Archivist (ND), National Archives at College Park, 8601 Adelphi Road, College Park, Maryland, 20740-6001. Please be sure to include your case number.

Sincerely,

MARTHA WAGNER MURPHY
Chief
Special Access and FOIA Division
